  - c. Your photo I.D.
2. Will I have to wait after my injection for 15 minutes again if I had no reaction to the first dose?
  - a. Yes, we are required to observe everyone who receives an injection.
3. If I miss my second dose appointment, how can I get another one?
  - a. If you think you will miss your appointment, please call the City of Mesquite's Vaccination line: 702-346-8446, as soon as possible. They can guide you to get re-scheduled.
4. Can I get my second dose at the Rising Star if I received my first dose somewhere else?
  - a. If your first dose was the Moderna vaccine and there is a critical reason you cannot make it back to the location of your first dose, we are able to accommodate you. However, this is not recommended and we encourage people to get their second dose at the same place as their first dose.
